Register now: Save energy at home workshop

Tackling the cost of living crisis, the climate emergency, and the fact that one in three households in Scotland struggle to keep their homes warm, dry, and healthy, are challenges we care deeply about. That's why we're inviting all staff to a workshop on saving energy in the home with [Home Energy Scotland](#).

Join us to discover how small changes can make a big difference – to your home, your energy bills and the planet. Here are the details:
