Easy ways to save energy and cut your bills

Want to save energy at home without spending a penny? Home Energy Scotland has practical tips to help you reduce your energy use and lower your bills.

One simple change? Switch off appliances at the plug instead of leaving them on standby – like TVs and games consoles. It's a quick win that can save energy and money without affecting how they work.

Call Home Energy Scotland free on **0808 808 2282** or [visit their website](#) for more information.
