Grants and loans to help make your home more energy efficient

Thinking about making your home warmer, greener or more cost-effective? Home Energy Scotland can help you find funding to make it happen.

Whether you're looking to upgrade your heating system, improve insulation or install renewables, there may be grants or interest-free loans available to support you. Their advisors offer free, impartial advice to help you understand your options and apply for funding.

Call Home Energy Scotland free on **0808 808 2282** or [visit their website](#) for more information.
